* Which five years are represented varies from program-to-program, depending on program length. Averages were calculated across program type in each department during the 2023-2024 calendar years, and the most recent 5-year period that allowed for calculation of a 150%-time completion rate was used. For more program-specific information, please contact the Office of Institutional Effectiveness at ir@olivet.edu.

** Education program data is based on three years rather than five.
