

Bachelor of Science in Early Childhood Education | Online

PROGRAM OVERVIEW

The Bachelor of Science (B.S.) degree in Early Childhood Education is a program suited for those with a heart for teaching young children. This degree will prepare students for the Illinois Early Childhood Professional Educator License. Early childhood education majors have opportunities in and outside the classroom to learn and grow in their field. These students will study instructional methods, children's literature, language development, and sociology of the family, as well as learn about the philosophies of early childhood education, including Montessori, High Scope, Bank Street and Dewey.

POSSIBLE CAREERS

Licensed preschool teacher, Licensed kindergarten-second grade teacher, Preschool director, Daycare center teacher, Daycare center administrator, Pre-kindergarten teacher

FORMAT

Accelerated classes (generally 8 weeks long) meet online. Courses start in August, October, January, and March.

APPLICATION CHECKLIST

- _____ Completed Application
- _____ Official transcripts from all previously attended accredited institutions.
- _____ GPA of 2.0 or above
- _____ Optional: FAFSA Application
(Free Application for Federal Student Aid)
